

Local research infrastructure with potential to become of national/international interest

Application form 2022

Name of the research infrastructure at Umeå University:

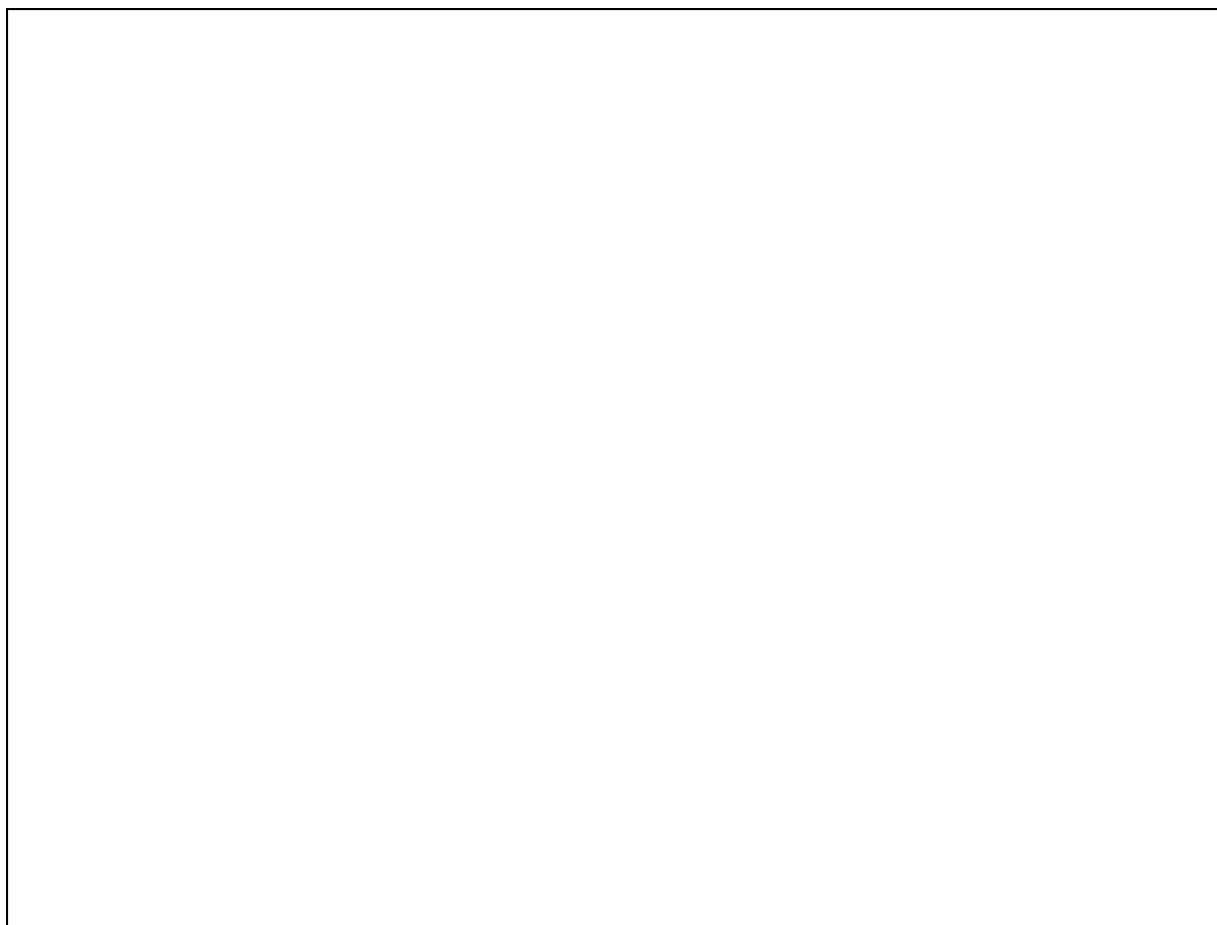

Host institution and responsible director:

Yearly amount of money applied for during 2023–2024. The amount shall include 30 percent co-financing from the faculty (guaranteed by the faculty):

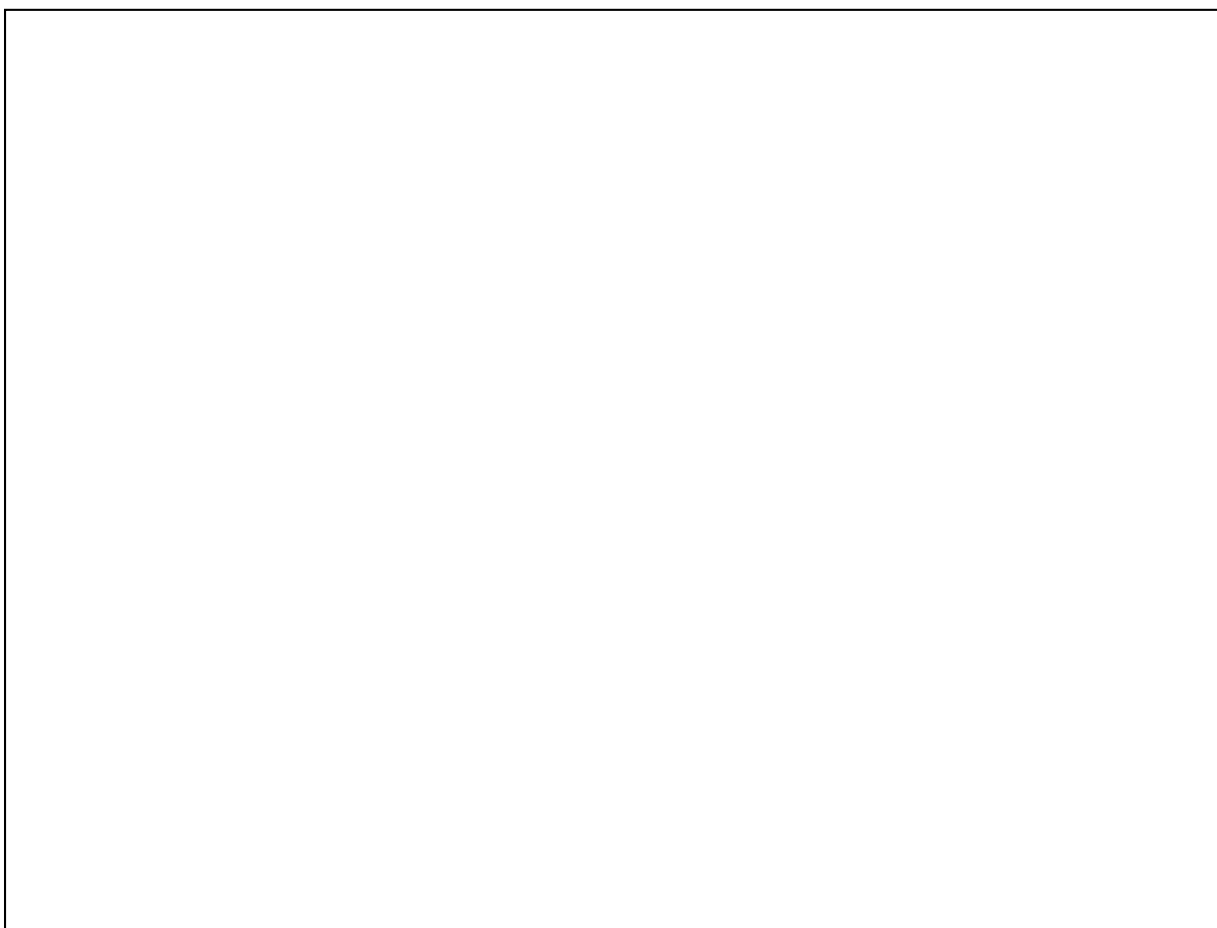

Describe the organization and management (1/2 page in total):

A large, empty rectangular box with a thin black border, intended for the user to describe the organization and management. The box occupies the majority of the page below the instruction.

Describe the internal use of the research infrastructure (1/2 page in total):

Describe the external use of the research infrastructure (1/2 page in total)

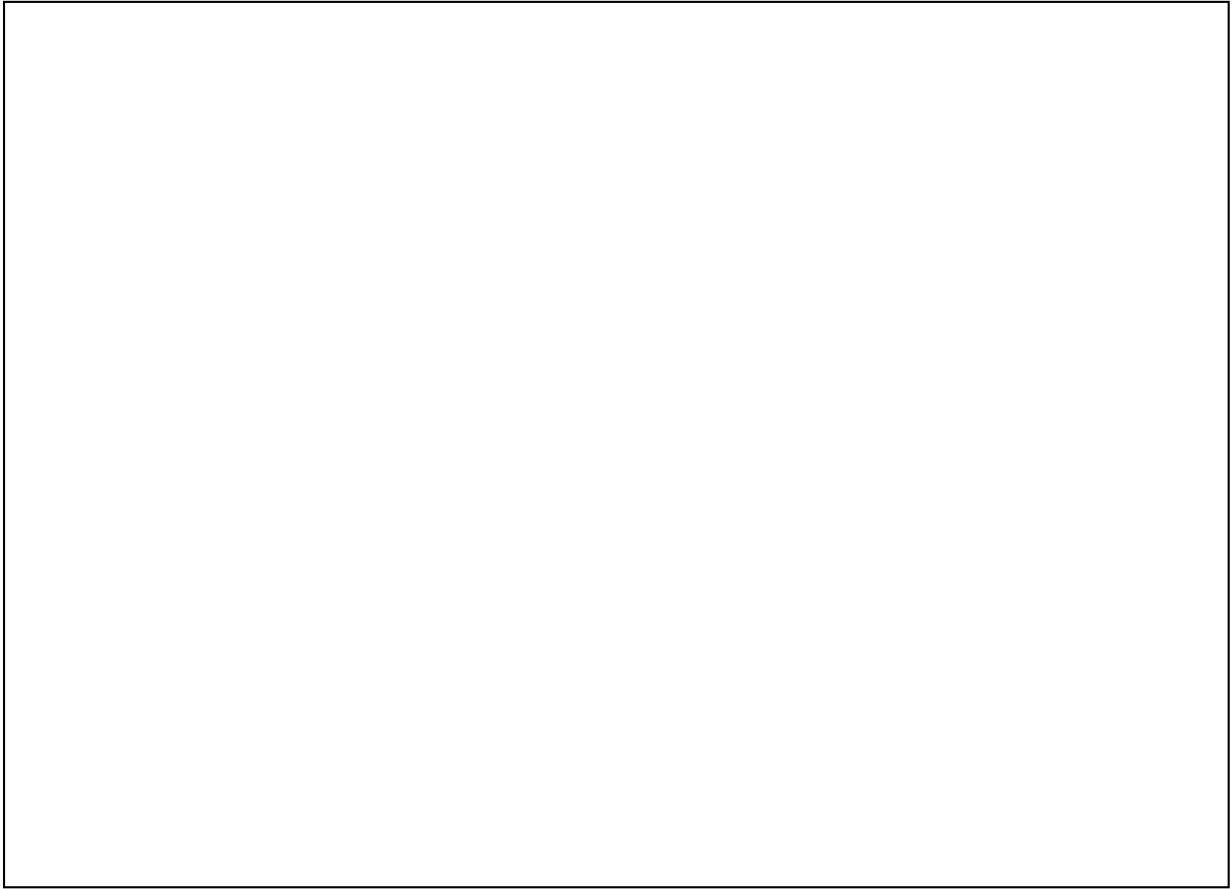

Are training and theoretical and practical courses linked to the research infrastructure provided? Describe briefly (1/2 page in total):

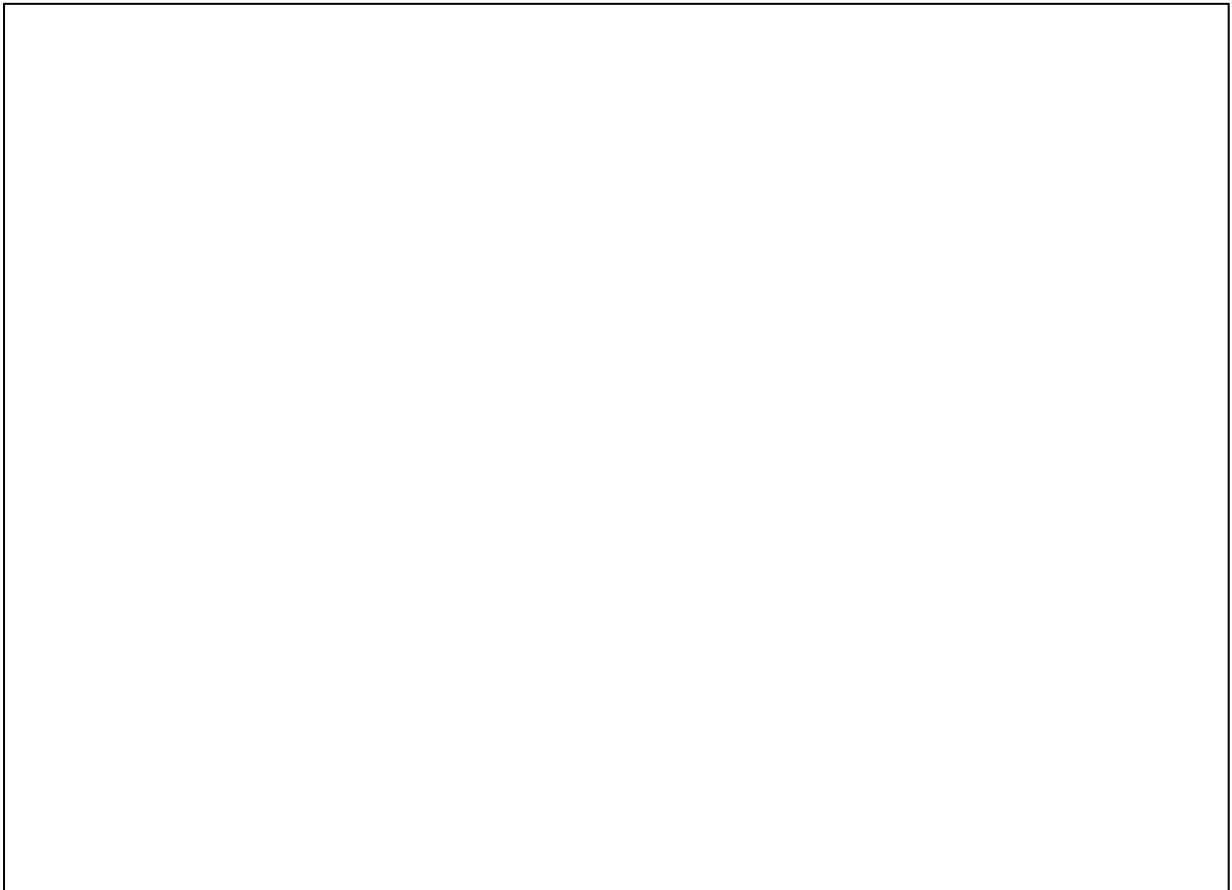

Describe the long-term plan (5–10 years) for the research infrastructure with regard to:

A) Usage (1/2 page in total)

B) Development (1/2 page in total)

A large, empty rectangular box with a thin black border, occupying the majority of the page below the 'B) Development' header. It is intended for the student to write their development section.

C) Evaluation (1/2 page in total)

A large, empty rectangular box with a thin black border, occupying the majority of the page below the 'C) Evaluation' header. It is intended for the student to write their evaluation section.

Financing

Attach budget and financing

Describe how the grant applied for can strengthen the research infrastructure to reach national/international status:

If the infrastructure is assessed in VR-RFI's evaluation of the needs inventory, describe how the infrastructure can be improved and developed based on this assessment:

A large empty rectangular box with a black border, intended for providing a detailed description of infrastructure improvements and development based on the assessment.
