

UMEÅ UNIVERSITY

INDUSTRIAL DOCTORAL SCHOOL

Welcome to the workshop

Industrial Doctoral School – The Next 10 Years January 16th 2019

Venue: Lilla hörsalen, KBC building at Umeå University

[Map showing where the lecture room is situated](#)

After 10 successful years we are now looking forward to yet another successful decade. So we welcome you all to help us form The Next 10 Years of collaborative doctoral education. During the day you will meet with researchers and partners, alumni and doctoral candidates and listen to visions and wishes how research should help society for the future.

The IDS workshop is free, but we will charge you with “a no show fee” of 500 SEK.

Programme:

- | | |
