Regarding: Umeå universitet

Umeå universitet, Umeå University, is a recognised, non-profit, state run independent higher education institution and a research organisation in Sweden. Umeå universitet has the right to award a number of degrees, among them bachelor, master and PhD degrees. The degrees awarded by Umeå universitet are equal and provide the same academic rights as degrees awarded by other recognised universities and university colleges in Sweden.

A complete list of all recognised higher education institutions can be found at: http://english.uka.se/higher-education-system/higher-education-institutions.html#h-HigherEducationInstitutionsinSweden

If you have any other questions concerning higher education in Sweden, please contact our agency.
