

UMEÅ UNIVERSITY

Furniture inquiry

Umeå University has a large amount of used pieces of furniture in storage that offices and departments can inquire and make use of. Please fill out and submit this form to infocenter@umu.se. The Property Management Office investigates if the sought-after pieces of furniture are available and will then contact you.

If the inquiry concerns furniture to be used for a temporary event, the form needs to be submitted at least ten working days prior to the date in question.
