

## Call for applications – appointment as recognised university teacher and distinguished university teacher according to Umeå university’s model for acquisition of educational qualification

In 2013 Umeå University introduced a model for acquisition of educational qualification. The aim of the model is to contribute to an ongoing improvement of quality by stimulating teachers to develop a great educational competence and also to stimulate departments to create an environment that is conducive to educational development.

The model has two levels: recognised university teacher and distinguished university teacher. The application for appointment as a distinguished university teacher may only be submitted by teachers who have previously been appointed as a recognised university teacher.

Call for applications opens twice a year and the last day to apply is usually in the middle of February and the middle of September. Deadline for the next application is September 14, 2020.

Eligible to apply are those who hold a position as a teacher at Umeå University and have:

at least 5 years of teaching experience at a higher education institution, equivalent to at least 2 years of full-time teaching. Also, courses in higher education pedagogy equivalent to more than 10 weeks study or 15 hp. The eligibility must be confirmed by a statement from the Head of Department.

### The application must consist of;

- an account of pedagogical qualifications (For recognised university teacher: main text of maximum 8 pages, reference list excluded (4 criteria) and a maximum of 12 appendices. For distinguished university teacher: main text of maximum 8 pages, reference list excluded (3 criteria) and a maximum of 12 appendices)
- a CV
- a statement from the Head of Department regarding eligibility (see above)

Apply through the e-recruitment system.

Only complete applications will be sent for expert review.
